NEW FRENCH MACHINE GUN.

650 Shots A Minute.

PARIS, Dec. 6.

The French military authorities and official military critics who lately have been greatly interested in the case of Major Fitzgerald and his quickfiring gun admit the value of the major's invention, but consider the new French pattern of quickfiring gun—just turned out by the National Arms Factory of St. Etienne—to be quite superior to it. The few guns of the new pattern that have been turned out are at Versailles, where they will be tested within the next few days before a committee of officers attached to the St. Etienne Arms Factory. A new quickfiring gun has been promised for several years, but it was not until a few months ago that the design was given to the makers. Since the pattern of the Rimmith field gun was finally decided on two years ago, interest in the War Office has been concentrated on quickfiring guns, and—although even the general characteristics are kept secret—it is said that many improvements have been made to the original model submitted to the War Office. According to a despatch from St. Etienne, the new gun fires at least 650 shots a minute, and the temperature never rises above 113 deg. Fahrenheit. If these figures may be accepted, the new French gun would appear to be 45 per cent. more rapid in its fire than the Fitzgerald weapon.

THE NEW FRENCH REMEDY

THERAPION

THERAPION No. 1

is a remarkably short time, often a few days only, removes all discharges from the urinary organs, suppurating infections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases.

THERAPION No. 2

for impurity of the blood, scurfy pimples, spots, blotches, pale and swollen of the joints, secondary syphilis, rheumatism, and all diseases for which it has been too much a fashion to employ mercury, mercurials, etc., to the destruction of the system, the whole system through the blood, and thoroughly eliminates every poisonous matter from the body.

THERAPION No. 3

for nervous exhaustion, impaired vitality, depression, and all the distressing consequences of early excess, restores the system to its normal condition. It possesses surprising power in restoring strength and vigor to the debilitated.

THERAPION

is sold at

Chinese and Western Merchants throughout the World. Price in England 1/6 & 1/4. In ordering, state which of the three remedies is required, and observe above Trade Mark, which is a fac-simile of word "THERAPION" as it appears on English Government Stamp (in white letters on a red ground) affixed to every package by order of His Majesty's Hon. Commissioners, and without which it is a forgery.
